Larry and family, We just wanted to say how sorry we were to read of the death of your son, Giles. I am unable to find the right or correct words but I know that we should not have a child die before us. Our thoughts and prayers are with you. In sympathy, Vicki and Paul Peters

My heart and all my prayers go out to all of you in this time of sorrow. I will always remember that little boy who could roll his ears up and tuck them in. Know that I am thinking of you and let God walk with you. Giles is in Gods loving hands now. Your friend Fonda Hanks and family
