Words cannot express how sad my heart is for you Jill. I am so sorry for your loss. We talked one night outside the Sand Bar when I was working and I remember that conversation very clearly. No one can ever understand the pain that you feel. I am praying for you and your family. I also pray that our babies are friends in heaven. You are a wonderful person and even though I do not understand why this happened to you I will continue to pray for you always! Please call if you ever need to talk! With all my deepest sympathy, Kasey Ellis 308-238-3554
