“ My condolences to Jody's family. I am so saddened to hear of her passing. May God grant her peace and heavenly joy. I met Jody at District 11. Such a memorable place. She and I became best friends. Our farms were close together and our families shared lots of laughs in those early days. The Sunday neighborhood softball or basketball games were great. I'm surprised one of us didn't fly out of the hayloft! HS was never dull with Jody around- Bright, funny and caring. She and I learned to drive in the old gray car- in the pasture- with the Bulls eye on the hood. I think we painted that. Ray just laughed. She also taught Ron how to polka in the neighbor's yard the wk before our wedding. My life is richer with Jody. I will cherish the memories always. So sorry we can't attend the service.

“ My sincere sympathy to Jodene's family. I knew Jodene and her brother, Clarence, when they went to District 11 school in Nebraska, where I was their teacher for a few years. They would remember me as Mrs. Ditter. Jodene was always so pleasant and so eager to learn, yet she still took time to show kindness to other students who asked for and received a bit of her help. Rest In Peace, Jodene!

“ I spent summers at Jodene and Clarence's home with their parents, who were my aunt and uncle. We had many good times as children together. I tried to stay in touch with Jodene. I will greatly miss her.

“ Our sympathy on your mother's passing. We were old farm neighbors and I went to country school Dist. 11 with Jody and Clarence back in the day and always considered them friends, even though we lost touch. May your fond memories carry you through.
