“ Marvin, my heart and prayers are with you. I am heartbroken for you. I know they were your world, and you took such good care of Pat and Paula, even when they lived by my mom in Holdrege. She really enjoyed you as neighbors. Continued prayers of comfort for you. Laura Youngmark (Edith's daughter)

“ My Mom was a very caring woman, who always gave her best to everyone and everything she was involved in. I thank my mother for the love she gave me and for her values she instilled in me: her caring and compassion for others, her sense of fairness and honesty and most importantly her love of Jesus. Mom touched the lives of many people and I know that we are all better for having known her.

“ We were close friends for several years. We enjoyed calling and chitchating. We went to some events and had some good laughs. She was usually game for anything. I will miss her.
