“ Oh the childhood memories I have with Roger walking around Gibbon and playing with all our cousins. We were both avid Beatles fans and we would listen to their records and pretend we were at their concerts. Of course, later he became Ringo and I was the Go-Go dancer! Once in awhile our other cousins would join us at his house to complete the band as George, Paul, John (Lyle, Russell, & Donnie), if I recall correctly. Looking back makes me smile!

Such a sad day when he fell from that tree, life changed for everyone that day particularly Roger.

I moved away and didn't see him that much over the years. Every once in awhile when I returned to Nebraska, I would run into him at Walmart or he would attend a family picnic. Sad to say, I think the last time I saw him was at my Dad's funeral back in 2006.

These memories I will always cherish...

I pray you're in the presence of your Heavenly Father and basking in your healed body.

“ It's so sad to hear of Great Uncle Rogers passing, I am so sorry I won't be able to attend the funeral. My thoughts and prayers are with everyone. Many memories of Roger growing up and Visiting Grandma Dancer after school, and he was always there with a smile to say Hi Ang, with a big hug! Love you all.

“ Oh the memories. Roger and I were in high school back in the day. Funny times. Later on in life, I took care of him at GHS where he had been admitted after his fall from that "to tall" tree. He was a great guy and an awesome friend.
