“ I will remember our fun times at the movies, road trips to Lincoln for shopping, the trip to Mac's Vineyard and lots more; and these will be remembered with smiles and maybe a giggle or two. We did have fun.

“ Viv was one of my Avon Representatives during my career as Avon District Manager and thoroughly enjoyed her and her work ethic. Then I got to know her more when we started having lunches together once a month - there were 6 of us total in the beginning. We traveled to lots of restaurants in the area, some not even open anymore! We started this around 1996. She was a neat lady and talked highly and proudly of her family. My prayer is that God will give you peace, strength and comfort today and in the days ahead.
