“ I got acquainted with Warren because I worked at the Stagecoach for over 20 years and he was one of our regular customers and one of my favorites and loved to visit with with him. We talked mostly about our families and his fish farm. You all know how much he thought of you. The women in his family have a lot of gifts that he bought you over the years. He always came in a few weeks before Christmas to select a piece of the Blackhills gold for you all so it got here in plenty of time. I am sure you wear it proudly knowing that it was a small token of love he gave to you. I am sorry for your loss.

“ Fitzgerald family, I knew Warren Dale because he is my second cousin. My dad, Gerald, Jerry Pickerell, was his first cousin. My dad was the only son of Margory Firtzgerald Pickerell from Kearney. I also knew Warren Dale from the Methodist church. I am retired and living in Kearney. I last saw Warren Dale when he came to visit my father in Mount Carmel nursing home in Dec. 2014. They had a nice visit and they reminisced about the past. My dad then passed away at 93, in January, 2015. I lost track of Warren Dale and wished I had his phone number to keep in touch. He was such a nice guy. He will be missed! My deepest sympathy to his family. My huband and I would like to attend his graveside service if you would let us know when it will be. My phone is. 308-293-8809. Our prayers are with you. Mrs. Denise Pickerell-Wagner and husband Richard Wagner.
