“ I first met Allen and dorn when we were building Richard Young hospital we spent many days together on that project he taught me a lot.this is in 1983 we talked about fishing and hunting and taking his BMW out for a ride I was overjoyed when I heard he was taking flying lessons he really enjoyed flying. He'd come up to the lake Johnson's we go sailing on my sailboat a few times. I enjoyed the last couple weeks talking to him in the care home bringing up some old times we had quite a few laughs. He will truly be missed. May God embrace his family in this time of grieving May wipe your tears away and leave you with a smile on your face. God bless you Allen look forward to seeing you in the promised Land.
