“ *You popped in my head today Albert! That happens often. I know we only knew each other at work, but you left such a heart-warming imprint on my heart that any thought of you (mostly seeing you dancing on the line) always makes me smile! :)*

“ *I am so sorry for your loss. Albert always greeted me with a smile and was always so happy. I have very fond childhood memories of Albert and your family. Albert always made sure we had full tummies, and boy oh boy was he an awesome cook. He was super funny too. I am so sorry you and your family have to go through this tough time of loss so soon. I pray for you all to find comfort and peace.*

“ I met Albert at Baldwins on the 4000 line. He was so kind, wonderful, genuine, and caring. When he spoke of his wife, kids, or grandkids his face lit up. He ALWAYS had a smile on his face. He was always very chipper and could easily turn your bad day to a good one! I was a forklift driver and it was always heartwarming to see him dancing to all the hiphop songs! He was also our favorite deli man! He was very much loved and he will be missed very dearly. Albert, thank you for being you and thank you for always finding a way to people smile. Fly Albert. Fly.

“ Kris,
I am so sad to read that your husband has left his worldly home but can only imagine what his eternal home is like. Just picture his earthly Father and his heavenly Father were there to welcome him home. May all the wonderful memories comfort you. This isn't 'goodbye' but it is 'I'll see you later". He will be waiting. You and your family will be in my thoughts and prayers.
