“ *Annie is my aunt, married to my father's brother. When we would visit we would always sit in the kitchen. She would let me play with all her pots and pans. She had a really cool stove that had a side door where I could arrange pans how ever I wanted. I am upset with myself that I never just made the time to come visit in Pueblo. The last time we got together was 6 years ago at Fort Collins Olive Garden. My momma was still alive then and it was a sweet visit. She was a very sweet and dear lady.
