*She spoke of her 3 daughters and family. Annie cherished her children, parents and close friends. What a blessing, what joy to have known such a beautiful Angel on earth.*

“ I remember the very first day, Annie and I met. She was excited about working with individuals who had disabilities. Although she only worked for our company for a short period of time, she proved to be compassionate, kind and loving. She went above and beyond for the individuals who were in her care. She approached each day with a smile on her face, kindness in her heart and understanding of individuals who had needs. I believe she felt like she finally had a purpose and went above and beyond for each client she had met. Unfortunately, due to unforeseen circumstances that moment for her was short lived.

Annie Spoke often about her 3 children with so much passion and love in her heart. Thankful each day she had parents who were supportive of her no matter which direction her life had taken. Annie always strived to make her children and parents proud. She was a Deacon of light for shut-ins. Hope for those who stopped believing. Annie will be deeply missed, by everyone's path she had crossed in a short period of time.

Prayers, condolences to the children, parents, friends, and family who knew and loved her. Another angel entered Heaven, gone way too soon.

“ Nancy, praying for everyone during this difficult time. Annie used to walk home with my daughter, Jessica, after elementary school. She was only there long enough for a quick snack and some playtime, but has been remembered long in our hearts.
