“ *I always slept overnight in the campground near I-80 on my way to Illinois from Denver CO on my vacations back home. Always showered in the morning then had breakfast at Arlene's Cafe before hitting the road. The first time was in '84 on my way to Denver, the only time heading west I stayed at the campground. Great food, and she served superb breakfast sausage (what a flavor). Wish I still had the coffee mug I bought. Will miss those breakfasts Arlene. RIP girl...Jerry*

“ My heart and love goes out to the entire Family, even though we have always lived thousands of miles apart I knew how special Arleen was, my mom thought very highly of her throughout the years, and had much love and admiration for her. At my moms passing she was great support for my sister and I. I hope she brought some cinnamon rolls with her and her and mom can have one with a cup of coffee and look down on all of us. We love all of you, will be thinking of you in the days that follow. Love ya always.....
