“ Our deepest sympathy to Arleta's family. Sorry we were not here to comfort the family during this time. (We had just returned to Nebraska). She was always glad to see all of my family at church or where ever we may see her. She was a very caring & loving person. We will miss her here on earth but I know we will absolutely see her again standing with our Lord & Savior. Brent.

“ Arleta was such a dear, kind person to everyone she met. She would walk into the room and things would light up, often with mischief, but always with love. She will be deeply missed by all of us who were privileged to call her our friend. Our deepest sympathy to Oscar and family. We share your grief but know she is safe at home in heaven. “ Doesn't matter what you have...it's what you do with it. Doesn't matter who you are...it's whose you are. Doesn't matter where you have been...It's whether the Good News was spread. Aunt Arleta shared, poured out and proved to be an heir to the King...our Lord and Savior.
What a witness. What a warrior. What a women.

“ *I remember Arleta fondly as my Sunday School teacher when our family moved to Nebraska in 1989. She was always such a sweet and caring person. Even after I had moved away, whenever we returned to church, she was always so excited to see me and my family. She will be deeply missed.*

“ I am so sorry to read of Arleta's passing, tho I knew she wasn't well. She was the sweetest little gal, and we often talked at class at JFL about the Lord, prayer, and knowing He was always with both of us. My deepest sympathy to Oscar and family, and many prayers for comfort for each. I know she is rejoicing in the arms of her savior, Jesus. "See you later Arleta." Joan E Mickelsen
