“ As June 14th approaches it brings back the fact that you will have been gone from this earth for 12 years. I miss you now as much as I did on June 14th 2013. I am glad that you are no longer in pain and unable to do all the physical activities you enjoyed but I still wish you were here with us. You would so love going to all of the little ones ball games. Keep watching over all of us from up above. I put up a new Minnesota Vikings flag to honor you. The old one is in your memorial box. Love you.

“ Arnie was a kind loving man who cared deeply for his family. He cared about all the people he came in contact with. He always put others before himself. He led his co workers to treat others as they would like to be treated. I never heard him say an unkind word about anyone. He lived his life as a christian, a man who loved all people as they were, always helping them to better themselves. I will truly miss him. Santa will never be the same for our family, we enjoyed the times we saw him at the mall and at our house. He helped my kids to believe a lot longer than most. Nancy, we will keep you and the boys in our prayers. If we can help in any way let us know.
