“ I have lots of great memories of Barb and Matt in Arizona. We had a lot of fun with a lot of silly birds. Barb was always upbeat and certainly very much in love with Matt. I'm sure she will be missed by Matt, Tyson and AJ as well as her grandkids. I extend my deepest condolences to all of you and hope your memories of her are many and wonderful!

“ Matt, regardless if I know you or not, I am so sorry to read this about Barb. She is gone way too soon. She was a beautiful lady. I'm curious if you are Matt Benson from Loomis NE. I went to grade school with you and if this is you, just know I am thinking of you and praying for you and your family.

“ I was so sorry to hear about the passing of Barb. I transported her several times for Camelot transportation and she was my favorite passenger. I love talking to her and we had a little bit in common because her aunt Hazel was my mother's best friend. I haven't driven camera for 6 months but I have often thought of her and how she was doing. Hugs and prayers to the family, she was a beautiful woman. Sue Bendfeldt.
