“ *To all of Berneice's family: Condolences to all of you. What a fabulous lady she was! I worked for her & Ray at the Bow & Arrow, along with Peggy Gifford; that's going 'way back! I remember her instructing us on the proper way to cut and press an orange for the really fresh orange juice we served breakfast customers back then! Hold all the wonderful memories in your hearts and share them with those who are younger in your family. May lots of happy memories come to comfort you and make you smile. A long life well-lived and well-loved is the best reward anyone can hope for.*

“ Ever since Terry and I have been married,he always spoke of Gram's good cooking. Terry was especially fond of Gram's oatmeal-raisin cookies and her potato salad. One of my fondest memories was having Gram show me how she made her potato salad. Now, everytime I make potato salad Terry always comments about it almost being as good as Gram's. I have some big shoes to fill. Love you, Gram. Goodbye for now-Until we meet again.

“ Berniece is my grandmother. Two of my favorite memories with her and granddad were staying with them and my brothers and I dancing to the theme song of the show Dallas and the other one was the time she had made us Mac and cheese because it was the best but this time she put it in the oven and it got just a little brown on top and we wouldn't eat it! Made her so mad but she never did it again!! Love her and miss her so much!!
