“ *It was in the late 80s while returning from a trip to California they shut I-80 down and I was snowed in at Kearney, Ne with no motel rooms available. My younger brother Jim graduated with Dale and had seen him at a class reunion the previous summer and said Dale was the nicest guy at the reunion. Dale was in the book and insisted that I stay with them that night! 30 minutes later he arrived at the packed truck stop, picked me up and we drove to his farm house busting through huge drifts! "Here are towels, there is the shower, beef pizza OK?" We were quick friends and I often was an overnight guest in Gibbon and other houses he and Paula lived at in the Kearney area.*

*Dale was one of the best friends and coolest guys I ever knew.
Although I had not seen him for years I will remember him forever.
RIP Dale*

“ Our sympathy and prayers for all of Dale's family. We, like many others, knew him through his business "Surface Solutions." Dale was so outgoing and such an honest dependable business owner. He helped us restore century-old bathroom fixtures over ten years ago. He showed us all around his shop on how he did things and helped us make the decision.

More than that, he demonstrated the strength of character that we should all hope every business encounter, whether for a small or large decision, could be done with such integrity.

Peace to his memory.
