“ *I have so many memories of Uncle Bill. One that really stands out is him showing me how to pick, shuck and make his corn. He always had gum in his shirt pocket and I would always try and sneak a piece and he would give me one but only after answering a question correctly or saying the magic word. He would always teach me, guide me and will love me endlessly. He has been one of the most consistent persons in my life and I could always count on him. He was more like a Grandpa than an Uncle to me. I love you uncle Bill- rest in peace. ❤️*

“ Judy, Kris, Troy and Tracy - my heartfelt condolences on the loss of a truly great man. Just yesterday afternoon, Kim and I were reminiscing about some of the wonderful times we had with Bill when we visited our grandparents (Warren and Marjorie Reynolds), allowing us to help feed cattle, following along in his footsteps while he was working, and most of all, taking us for rides in the bucket of the tractor, "scaring" all 5 of us city kids. It was a shock for us to see that he had passed away. He will be truly missed by all of us; Bill was a real "one in a million".
