“ *I didn't know Bonnie very long but felt like I had known her for years. I'm so thankful that you both hosted our Christmas party last year so I was able to meet Bonnie. As we drank our wine and visited I was so comfortable with her. I truly admire her courage as she walked this path and will think of her everytime I have a glass of Verdi. I know you will really miss her and I pray you will find peace. Much love Gloria*
