“ My deepest condolences to the DeBord family. I met Brad years ago when I was in Junior High. Although he was a few years older than me, he made me a friend. I was truly blessed with his friendship and the friendships of his brothers. I have many joyful memories of Brad and his family, and have often revisited those memories as the years have passed by. Brad, my old friend, I will miss you. God Bless.

“ Although I had never met Brad, through Shara, I felt like I knew him. She raved on him from the minute he asked, "How are you?" I heard how he was a fun-loving, giving, and wonderful person. Rest in peace Brad.
