Brian loved his family more than life itself, and always placed them first. He shared his knowledge, love, and passion of music and motorsports with his children and grandchildren. He was strong willed, intelligent, caring, compassionate, and more times than not, he was stubborn but only because he was never scared to fight for what he believed in. He always has and always will leave a lasting impression on those he met. Loved my many, forgotten by none.

He will be truly missed by the love of his life, Kimberly Bullock of twenty years. Brian is survived by his children, Austin and Nicole Johnson Policky; Logan

“ I remember Brian as a young man living in Cozad, and a friend of my sons Ted and Jay. He was at our home many times mainly helping Ted and Jay out with things pertaining to their cars. He truly was a fun guy and I enjoyed teasing him even though I am not so sure he enjoyed my humor.

Truly he was a very smart guy in a lot of areas, and am sure many of his friends were glad to call him their friend so he could help them out.

My prayer is that the Lord will surround his family with the love that only he can provide.

“ *I'll always remember Brian as one of the smartest guys I knew. When it came to hooking up car stereos he was the man. Not only did he install it but he made sure it was done with professionalism. When it came to band instruments he wanted to learn and play them all. From the Drum Kit to the keyboards he was always so professional about it. He always could make me laugh. You will be missed my friend. May God have mercy on your soul.*
