“ *My sweet Carol, Oh how I am going to miss you. The years of morning coffee, and hours of conversations of our lives and our children, Grandchildren, and your newest Great Grandbabies. The rollercoaster of laughter and tears, joys and sorrow. You were always there to walk with me though some of the hardest times in my life. I love how you loved so strongly and deeply. You were straight forward and to the point, that little package of dynamite. I am broken, my heart aches, As I now look unto the heavens and see that twinkle in the sky, I know that you are there watching over us in our journeys going forward.*

*You are my angel*

*I love you forever,*

*Helen*
