“ *She calls our name, she says out loud, come sit by me, you make me proud.*

I gave you love and gave you strength, so don't you cry, you'll see me again.

Stand up tall, stand up strong, the hard wind blows, maybe blow you down.

This world is hard, this world has change, so don't you cry, you'll see me again.

She was our mother, she was kind, she was love, she was like not other, and to her we were one.

I love and miss you every day mom. Your daughter, Karen

“ *I had the pleasure of working with Charleen when I first started at GSH, I was hired as a temporary part time office clerk in accounting. Charleen was a hard worker who treated everyone no matter who they were and their job title. She was one-of-a-kind and a joy to be around. Bonnie Botsford.*
