“ To all the family, I am so very sorry to hear of your mom's passing. I was shocked, as of course you all were. All of you have been heavy on my heart since Sunday, when I heard. Please know you have been and will continue to be in my prayers. Your mom was a beautiful person and touched many lives, just as each of you have also and will. I pray blessings and comfort for each of you.

“ Cheryl, One of my oldest friends, you will always be near to my heart. You were a better friend to me than I was to you. When I think of you I think of you smiling and laughing. We had so many good times together. Memories that I will always cherish. I will hold on to that special memory we shared in your front yard. Such happiness I saw and felt in you. You were one of those unconditional people. When someone got in your heart they stayed in your heart as you will in mine. We didn't see each other too much over the past few years but when we did it was like we didn't skip a beat. Thank for being my friend and so good to my children. I was truly blessed by God to have you in my life. God's speed my dear friend and I hope to see you one day in paradise. Love you
