“ *I met Chris for the first time when I was Food Service Director at Crittenden County. I would ride with Chris to many of our monthly meetings. He always called me Miss Daisy from the movie Driving Miss Daisy. I became a Mother figure in his life during some rough days in his life. He shared many deep secrets with me that I will treasure. I loved Chris. Chris's family is in our prayers.*

“ *I'm praying for all of his family. I met Chris for the first time when I became a food service director at Carlisle county. He and I was immediately connected and he was my best friend and mentor. When he had his accident I was so devastated. I have missed him so much but I know in my heart that he is in a better place and is no longer suffering. I love you Chris Brockman!*

“ To the Brockman family, My deepest condolences to all. David and Amanda God be with you. I had the opportunity to work with Chris when he transferred to Earl C. Clements in Ky. from Treasure Island in California. He came in as the Advance Culinary Instructor and did a fine job with the students and other staff. He had great vision and was a great cook. When he decided to move on from Job Corps to the local school district I knew he was ready and would do a great job. Again I'm saddened by his passing but I know that God knows best. Rest in Peace My Friend.
