“ My dad had the ability to light up a room with his infectious laugh and smile. He has a big heart and loved unconditionally. I remember as a kid to get us up for school he would sing at the top of his lungs just to wake us up. There are so memories I hold dear. I love you dad❤️

“ My dad was easy to like. Everyone who met him loved him. He always respected people. It was always good on the cruises we took to see him happy in the later stages of life
