Family I am truly saddened by the loss of my favorite Jones cousin. When you all lived in Jacksonville, it was great having him just having one street over. I loved his sense of humor and smile, it always reminded me of Uncle Casey. My heart goes out to you Tish and the children because truly a void has been created by Clint's passing. I will keep you all in my prayers over the upcoming days and weeks to come. May be peace overcome you all as you allow God to cover you with His love. Take comfort in the memories you have. I love you, Alice Cartwright-Henderson.
