“ *Barb, Chris, Kathy and Gerry, Thinking of all of you and imagining how much you will miss your Mom. We're never too grown up to not need and want our moms. Thankfully, you are a close family and will have lots of memories to share and laugh about. Today will be a tough day, and there will be days to come where you will swear you heard her voice or saw her driving her car, although you know that's not possible. I think that's God's way of telling us the ones we love and miss are still with us. Hugs to all of you.*
