“ *Corky had the best attitude about life and particularly his health. We spent a lot of time over the years together, unfortunately, when he was desperately ill. He suprised me by making it through many trials that I thought he wouldn't make. He had a great sense of humor. I will miss him. Condolences to the family, as I'm sure you will miss him more. Ron*

“ *To the family of Corky Bell, I extend my sympathy to you in the loss of your loved one. You do not know me, but I had Corky in my English class at Pleasanton High School when he was either a junior or senior in high school. He was a fine young man. I recall him as being tall, slim, and respectful of other students and of me. God Bless.*
