“ I shot trap with Dale. A couple of years ago I shared the memory of going to Bible School with him and some others at the country Lutheran church on the hill by Amherst. We talked about some of the other kids, him smoking on the roof of the horse barn, me putting a hog nosed snake in the sink for the teachers to find at recess time, and someone putting a locust tree thorn on Deann Abels chair. He always enjoyed life. He will be missed by many.
