“ *Dan always had a smile, a hand shake & great conversation. He introduced me to many new places on the road. He had charisma & style that made people believe in themselves & strive to be their best. Would always make me laugh when he said saddle up & bring them big wheels home in the wind. I truly looked up to him as a big brother & always will miss him & that smile. Best memory will be the sound of Dan & JC voice when we acquired the saint Louis, Missouri-louisville,ky. run for FORD motor company as they told me to turn & burn & the slot machine of \$ rolled in keeping me awake on that run. Them two brothers could move mountains when they put their heads together. Forever the ourada family will be in my heart & a very proud part of my life.*
