“ *David was a professional colleague for about 8 years, designing many buildings together. We taught each other a lot in the profession. But, what I remember most is all the great stories he would share from his days as a cowboy on the ranch, funny stories when he worked with the County and fun times he had growing up and of course numerous stories about his kids, grandkids and his wife Cindy. He will be sorely missed. Love ya Dave!* ”

“ Dave and Cindy were part of a wonderful Life Group we joined after moving to Nebraska. We were like fish out of water but we were warmly welcomed by them, and the whole group, and have enjoyed and appreciated their friendship. We will miss you, Dave.
