“ *We will miss Uncle Deanie tremendously. He always had a positive outlook on life and had good things to say about everyone. We loved listening to his stories and his memory was spot-on. The way he treated Alma with love, affection, and dignity is a true example for all married couples. We are so happy that we were able to visit with them many times on our trips through Nebraska. Attached is a photo from last October when everyone was so full of life. Love, Kim (niece) and Steve Dalrymple*
