“ *Delight was one of our favorite parishioners when we were in Kearney at St. Luke's. She had a wonderful sense of humor, shared her wisdom freely, and was a "delight" to be around. We know she will be sorely missed.*

“ *Kent, Greer and families, I am Ethel Moberg Janitcheck's daughter. My mother would have been your fathers cousin. I'm sorry to hear of your mother's passing. My mother passed 3 years ago last November after a short illness. As a child I remember looking forward to having dinner at the Corral Cafe with our family. I remember your father and mother taking Aunt Malay Moberg and myself to the home of Mother's Aunt Josie Birdsel's to stay the weekend. They were so kind to taxi us around as Aunt Malay didn't drive. Again my condolences Sharon Janitscheck Blue*

“ I worked for Howard and Delight at the Correl Café from May 1966 to Sept 1967 when they closed down. Delight was a "delight" to work for. I was taking college classes the whole time I worked there and when we weren't busy they would let me go in back to study. In the summer when we were swamped with customers she would be right there seating people, handing out menus and getting drinks for the customers while I and one other waitress took the orders and served the meals. I was sorry to see them close but knew they had other things in life that they wanted to do and the café kept them tied down. I always think about them when we are in Kearney and go by the old café. My thoughts and prayers are with you at this time.

“ Delight was a resident at Northridge Retirement while I was the Executive Director there, more than 10 years ago. There was something special about her, and I always felt she and I forged a unique bond. After 30 years of working with seniors, Delight stands out in my heart and mind. She taught me a lot about aging, and how to do it with grace and a sense of humor. My condolences to her family. We lost one remarkable lady last week.
