“ *As a friend of Kim and Shelley, I share your sorrow. I never knew Denise personally but knew a part of her through her sisters. I admire the hard battle Denise fought and although we wish she could have lived forever, she is now at peace and relived of suffering. May your memories sustain you through this time of sorrow. My thoughts and prayers are with you and all who knew and loved Denise.*

“ *My condolences to all of Denise's family and friends as I know she was loved by many. My mother Debbie Allen and father Bruce Downing always had such wonderful things and stories about growing up with Denise. I was grateful to have the opportunity this past year to tell her how much her friendship meant to my mother. I wish I had the priveledge of knowing her personally. Prayers of strength and peace for all who were blessed with her friendship and love.*

“ So sorry to hear about Denise. Although I moved away from Rensselaer Falls many years ago, I still remember Denise as a cute outgoing red headed teenager. We should be thankful the pain is gone. Rest in peace.

“ Denise was such an inspiration to myself and many many more, her strength from day 1 has been so great and impressive. To see how she fought on to try and beat this ugly disease for herself and her family is something to be noted. I was also impressed by the love and support from her husband Mike and her family. Denise is in heaven now but she fought the fight and walked the walk giving her disease a relentless battle. Denise and her family fought hard never giving up she is a WINNER and an inspiration to all. Prayers, thoughts, hugs From all of us at Concrete Cares of Nebraska.

“ I remember this freckled faced red haired girl that didn't have a mean bone in her body. Loved by everyone. We rode the school bus together. Velma, Denise and Dood. Then she found her prince...married him ...had three beautiful daughters, eight wonderful grand children and lived happily ever after. Now she is at peace. Job well done in your earthly life Denise. I know it is beautiful where you are.
