“ *Mrs. Murray was my favorite teacher at Wilcox. I just moved to Wilcox my 4th grade year and it was a tough year for me. Mrs. Murray always had a smile and laugh that made me smile too!. She was always positive and was faithful with our daily snacks of prunes! Of course, we all knew her love for giraffes! She was a wonderful lady who touched many little lives!!*

“Doris was such a wonderful person and our family felt very close to her and her family. She was a close friend of my Mothers having served as her made of honor. The Murray family was one of our closest neighbors and we spent many happy times together on Fourth of Julys and New Years Eves. Max was and remains one of my brothers good friends and I spent many a Sunday afternoon playing poker with him and my brothers other friends. We only paid penny poker and of course they all would complain when I would beat them. Doris's love of giraffes was well known. My Mother was always trying to find a new one to paint for her. I remember walking into their living room and never quite knowing where to sit, there were giraffes everywhere. The last one we painted stood almost 5 feet tall. I remember seeing her on several occasions when she'd say to me, "I just don't understand why I'm still here and all my friends have passed". I guess God needed her here a little longer and so did her family. She's with them now and I can just imagine the fun they're all having in heaven. It tears me up that I will not be able to attend her funeral but my prayers are with the family. Hugs to all of you and know she is in a better place. My favorite quote is "To Live in the Hearts we leave behind, Is Not To Die"

“ *Doris was an amazing teacher. So fun and creative. I later was able to listen to her talk and tell stories to fourth graders in Kearney about teaching in a one room school. She still had the ability to capture a classroom many years into her retirement. I was very lucky to have her as a teacher.*

“ *To Max and Nancy and family, Am sorry to hear the loss of your mom. She was a good woman. I spent a lot of time with your Dad picking up watermelons. Your parents were good to us. We lived just south of the farm.
Once again, sorry for your loss.

“ Mrs. Murray was the kindest, delightful teacher I ever had at Wilcox. I saw her a few times in the last year and loved to see her, with her daughter Nancy. Heaven gained an absolute angel and we lost an amazing woman and teacher. My prayers for all her family.
