“ Doug and I got acquainted back in 1983 when I worked at Rayburn Auto in Gibbon and he was a customer and we became friends. There was a thirty year span when we didn't run into each other but then one day we touched base again in NAPA. It was just like we'd just seen each other the day before, our friendship resumed. Doug was a fun guy to know and he'll be missed by me and many others. Our prayers go out to his family and all who knew and loved him.
