“ *Duane was a trusted employee and a good friend. All of us in the Awarii Dunes Family will truely miss his dedication and sense of humor. He was my first employee when I purchased the property in 2008 and was with me through every stage of turning the property into Awarii Dunes. It was an honor to know him, have an occassional beer with him, lose money to him when the Huskers beat my Tigers, and to be able to call him my friend. Carol and I will miss him and our prayers are with his family.*
