“ Luz was one of the most loving and caring person that I knew. Serious one minute then rolling on the ground laughing another. She was one of the hardest workers that I have ever known. Liz was so very kind. I'm going to miss young lady. May God take you into his arms and never let you go.

“ *Jesse, I still remember when your mother came by the credit union after driving all the way from Nebraska just to see you. I believe I told you that I would have been to chicken to do it, but once I met your Mom, I could tell she was a determined women and when she put her mind to something, she did it. I'm so very sorry to hear of her passing. I am sending my love and deepest sympathy to you and your family.*

Thank you for remembering her. She has always been determined and very very independent. You couldn't tell her no. That trip was the very first time she had come to see me since I had left home, and it was one of the best times. Thank you Alicia so very much.
