“ Dear Schroer family, I'm so sorry to hear of Fay's passing. I have so many childhood memories that include Fay and Bev. They were such good neighbors and great friends to our family. I'll remember Fay as an ornery, but sweet man! I just have to share one of my favorite memories of him. Back in the 70s he and Bev, and several other couples, were at our house for "card party". One of the tables was set up very close to the bathroom. Fay was sitting at that table. As I exited the bathroom, Fay asked me "could you hear us, because we could hear you!" As an eight or nine year old, I was mortified by that comment! As an adult, I find it amusing and have used it myself, many times! I think of him whenever I quote it! He will be missed! My thoughts and prayers are with you all.
