“ *My deepest sympathy to the family of Francis. I use to sing next to her in church. I had a nice visit with her this last summer at the dining table. She sat next to my Aunt Bea Elliott. As we were talking she would generously give my Aunt Bea what she didn't want to eat. Too funny. She will be missed and will always have a special place in my heart. Many blessings to the family. My thoughts and prayers are with you.*

“ *We are thinking of all of you in your time of loss and remembering your grandma. She was so cute when she attended the Amherst sporting events, cheering on the boys! We always got a chuckle too- she could never keep straight who Drew was, other than another one of Branson's many friends. She was always so pleasant, kind, such a lovely lady with a big heart and a warm smile for everyone she saw. Cherish your memories, she is in heaven now. May peace be with each one of you.*

“ Dear JR and Julie, I was so sorry to hear your mother has passed away. Fran and mom were like sisters and had so much fun together over the years. I can remember them just giggling like teenagers. They always stayed close, not all of us are so fortunate to have a life long friendship as they did. It was something very special, just like your mom. May she rest in peace. My sympathies to you and your families. I will always smile when I think of her. I am sorry I am unable to be in Kearney for the funeral. My thoughts and prayers go out to you.
