“ Our deepest sympathy to all the Laughlin Family. Gary and Dixie were wonderful people and we were blessed to have them in our Family. Ed and I have such great memories of both of them. We sure miss their annual Christmas cards/letters. Every year we bring all the old letters out and enjoy reading them. May God bring you peace and be your comfort and strength. “ Gary and I worked together at Omaha Testing Labs in the '60s. Gary was a seasoned engineer and I was a high school and college summer employee. He took to me and became a mentor....and we worked on a lot of projects together. Gary taught me a lot about our business, engineering, and life. He always had a wise approach and a very positive attitude. We lost track over the years as I moved a lot...as did Gary and Dixie when they moved west. It's been a very long time but I still remember his very smiling face. God bless Gary...and Dixie...and his family. Mike Spinharney, Omaha, NE.
