“ George was a great friend in the Telecommunications industry. Getting to know him some 20 years ago. He helped me along and taught me plenty in my early years in the industry. We spoke frequently after his retirement via email. I didn't realize he had passed until today. A couple months had passed without his great sense of humor in a email. George was a great man friend and he will never be forgotten by me. My prayers go out to you. Curt Carlson ~ Hampton, Nebraska

“ Charlene,  
We are thinking of you and the rest of George's family. It brings a smile to our faces when we think of the summer haircuts that you would give George and Jim.

Today and always, may loving memories bring you peace.  
Our thoughts and prayers are with all of you.

“ It was a privilege to know George and I always cherished his reminder calls on Thursdays announcing Bible 101 study group. Praying for Kathy that God will give you peace that passes all understanding. I have the faith and hope to see George again when Jesus comes the second time.
