“ Jerry’s wife, kids & grand children came first in his life. His life was to give them a happy life & for their future. Their happiness was his happiness.

I guess that’s why he took eating healthy & exercise seriously, It worked, because he retired at age 80. When you talked you forgot he was old, but just your same old stubborn brother.....

I miss our phone calls, and am so glad for our last chat.....Hope that we may be together at Resurrection....
