“ *Kent--I was sorry to read about your mother. Every time I drive by the shop, I think of her. I enjoyed working for her. She was a very interesting lady and I always looked forward to talking with her. I pray for you all.*

“ *When Gini first started working grooming dogs at my folks Pet Motel in North Platte Nebraska, I thought she looked just like Cher. Maybe even prettier. Of course I was just a kid, and I also thought I would grow up to marry her son Kent. HAHA! Gini taught me a lot about dogs, and a lot about people. When I found a stray who was badly matted and took her to Gini, she refused money for her grooming services. She was a beautiful woman inside and out. Heartfelt condolences to all Gini's family and friends.*

TC

We loved taking our dogs to Gini. We have three that she groomed. We were so sad to see her retire and every morning when I pass by her pink building in Roswell, I think of her. She reminded me of my grandma that passed away in 1994. Looked like her too. Gini was always nice and always asked about my granddad. I'm so sorry to hear about her passing. I will keep her family in my prayers. I bet a lot of dogs that Gini groomed and have passed on to the Rainbow Bridge will be waiting to greet her in Heaven.
