“ *Steve, so sorry to hear of loss of your mother. Your parents were very special neighbors and friends of my parents, Paul & Wilma, right across the street for many years. I can still see your mom coming out the front door of their home to wave and visit. She was a very caring & thoughtful friend.
Thinking of you & your family during this difficult time.*

“ *Precious memories of my years in Kearney and our start in God's true way in Russell and Elenor's home in 1969. So thankful for her faithfulness, her delightful sense of humor and her interest in all of us "young kids". Love and sympathy to all of her family and the Kearney area friends. GO

I lived with the Sayles in North Platte while in college. Mrs. Sayles was a terrific "Mother" to me while I was with them. I learned a great deal while there and always treasure my memories of that time.
