“ My deepest sympathy to the family of Gregg Knapp. I have fond memories of him. Doesn't seem right the most intelligent, fun, creative, and compassionate people leave us idiots down here so soon. Again, my condolences. The pain will pass and the memories will live on. God Bless. Deb Beshore (sister of Doug, Julie, & Jane)

“ Jeff: Please pass on my condolences to the entire family. Greg and I graduated high school together and spent one summer working together on your father's farm. I also remember Greg's blue Cutlass and St. Benard. Occassionally when I was back in Kearney, Greg and I had a chance to catch up. Although its been several years since we havfe seen each other, I will miss him. Gig Tollefsen

“ My thoughts and prayers are with you. I have a lot of fond memories of Greg. He has really done a lot of kind and thoughtful things for me throughout the years. Including letting me keep my dogs at the farm for a while, when I had an unpleasent neighbor. Even though I haven't seen much of him for the last few years I will miss him too. God's peace be with you, his loved ones.

“ I send my sincere condolences to Greg's family. I knew Greg in 1971 and 1972, as a very intelligent, vivacious attractive young man. He was funny and impulsive and loved his blue Cutlass and his St. Bernard. He sported wild curly hair and elaborate dreams for his future. I was fortunate enough to be his friend the last couple years of his life when his struggle overcome his strength. God Speed.
