“ *Tammie, I was deeply saddened to hear of your loss. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. As you comprehend this profound loss, let yourself cry knowing each tear is a note of love rising to the heavens. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why he left this earth so soon, or why he left before you were ready to say good-bye, but little by little, you begin to remember not just that he died, but that he lived. And that his life gave you memories too beautiful to forget.*
