“ *Henny Ann lived next door to us when we lived in Hazard. We loved the family. She was such a good friend to mom. (BerniceBrisbane) My sister and I would go over to see Henny whenever she was baking. She was a great cook. She and mom shared the love of The Iris flower. They would wear out the flower catalog and maybe each would order one plant each, plant it and could hardly wait for it to bloom. I have fond memories of Henny Ann. Love to all the family, Ann Hiser(Brisbane)*
