“ *Our thoughts and prayers are with you and your family.
I will truly miss my daily exchanges with Hank...
Whenever passing Hank's office I would holler "HANK" and always
the answer would come..."Jansky", we would do this most everyday.
I loved Hanks personality, he always found a way to put a smile on
my face no matter how crappy the day was.
He was there for advice or just to shoot the shit...*

Now he has the best seat in the house to watch those CUBS

You will be missed
